

# TEMPE PARKS & RECREATION ADULT SOFTBALL PROGRAM FALL 2005

## FOCUS GROUP UPDATE

Ten teams attended the August 16 coaches' focus group meeting. The following topics were discussed and should prove to be of interest to all adult softball teams. Please take time to review the results.

**MOTHER'S DAY:** Mother's Day will now be an official softball holiday at the City of Tempe. In order to accommodate this request, the summer season will begin one week earlier than usual.

Thank you for taking the time to read over these important changes to your league. If you have any questions or would like to attend a future focus group meeting please let me know.
